

New Music Director at Unity of Sun Lakes- Francine Alexander

Unity of Sun Lakes is delighted to welcome Francine Alexander as its new music director. Francine comes to the Sun Lakes area from Kona, Hawaii with her husband Jack, and her Yorkie, Andy, as in Raggedy Andy.

After 20 years "selling spirits", she started "selling the spirit" to use a quote of Dr. Tom Costa, the senior pastor emeritus of Religious Science Church of the Desert, Palm Desert CA. He had worked as a bartender before becoming a minister; and Francine was a piano bar entertainer before she joined his church in 1994. She quickly became a principle member of his music team for 10 years. At the same time she shared her gift with Unity churches, synagogues and other houses of worship in Southern California.

In 2004 she and Jack relocated to Kailua Kona, Hawaii where Francine began work at a Religious Science Church followed by the Unity Church. Soon she was blessed with a position as choir and music director of the Lutheran Church of the Holy Trinity, in Kona. She worked there for 10 years as well and created a 25 voice choir.

Now she has teamed up with Rev. Dr. Debbi Brown Adams to provide the weekly music on Sunday mornings at Unity of Sun Lakes, *A Positive Path for Spiritual Living*. With the voice of an angel and all her musical gifts and experience, Francine is a great addition to this inspiring spiritual community. She begins on September 23rd. Unity Church invites you to stop by and enjoy the positive music and message on Sunday mornings at 9:30 am at Sun Lakes Country Club, Arts & Crafts Room. www.unityofsunlakes.org
